

Raja Jewellers

Collections

Raja Jewellers, now in our third generation of management, continues to create gold jewellery that appeal to both traditional and contemporary mindsets with our unique designs, excellent quality, and attention to detail. We offer several jewellery collections to the customer, from our premium product the Navantatre Bridal Jewellery collection to the Bridal jewellery collection which is our mid-price band, the Paragon - Diamond Jewellery collection another premium product, and our Thambapanni collection based on more traditional Sri Lankan symbols and patriotic designs, as well as our latest Persona Men's Jewellery collection. We have many more diamonds, colored stones, rose gold, yellow gold, and plain gold jewellery with unique jewellery designs that add glamour to our formal and daily wear collections.

Distinct among our glittering collection of jewellery for their unique beauty is the color stone jewellery. Raja Jewellers makes use of sapphires and Ceylon stones, creating jewellery that appears to have woven the colors of the rainbow into gold jewellery that suits every occasion.

Raja Jewellers' color stone range contains necklaces, pendants, bracelets, bangles, and other uniquely attractive pieces of jewellery that use gold, rose gold, white gold, platinum, 22k gold, and other valuable metals in their bases. The sapphire range makes use of precious gems which contains every shade of sapphire, including blue, yellow, and green sapphires. The semi-precious range contains jewellery inlaid with Ceylon gemstones.

The jewellery is exquisitely designed by Raja Jewellers' specialized design team and also accommodates custom-made and exclusive designs based on customer requirements. This jewellery collection adds an extra sparkle to your wardrobe, whether you are attending a formal function, a wedding, or simply wearing them in your day-to-day life. Take a look through our comprehensive collection of finely-crafted jewellery to beautify you with bold sophistication.
