## **Services**

Friendliness, responsibility, and trust have been the hallmarks of Raja Jewellers' relationships with customers. In addition to maintaining the highest standards in the Sri Lankan gold jewellery sector, we have nurtured a reputation for exceptional customer service for over four generations.

## **Sales Services**

The sales staff at Raja Jewellers are eager to assist customers with their jewellery needs and offers you a vast range of jewellery to select from their Bambalapitiya - Colombo, Negombo, and Kandy outlets. We also look forward to offer custom-made items for the valued clientele based on their specific requirement.

Raja Jewellers has an online ordering facility and international delivery facilities for customers around the world, and you can also choose jewellery by making an online video call appointment.

## **Warranty**

The metal used in Raja Jewellers products carries a lifetime warranty worldwide and in Sri Lanka. Jewels handled by us are supported by certificates of quality, and this quality is of the highest degree and is provided through masterful creation and attention to detail.

## **After Sales Services**

Maintaining everlasting relationships with Raja Jewellers' customers who cherish diamond, precious stones, and gold jewellery in Colombo, Negombo, and Kandy is of vital importance for us, and our products are certified and can be collected from a showroom of your choice.
