

Raja Jewellers

Latest Organization Updates.

At Raja Jewellers, customers can expect updates on the various developments such as awards or the latest branches that will be opened along with offers and discounts for exquisite gold jewellery and gems in Sri Lanka.

Raja Jewellers with an unprecedented nine decades of supreme excellence in the manufacturing of gold jewellery in Sri Lanka has earned a collection of awards throughout its existence for its high-quality standards. It is the only jewellery brand in Sri Lanka to win the National Business Excellence Award, and the latest additions to its awards cabinet were four Presidential Gold Awards presented to them by the National Gem and Jewellery Authority of Sri Lanka, recognizing the company as the Best Jewellery Manufacturer, the Jewellery Organization with the Highest Quality Standards, the Best Gold Jewellery Item, and the Most Experienced Gem Cutter, reaffirming Raja Jewellers reputation as the monarch of Sri Lanka's world of gold.

CSR Activity Updates.

Raja Jewellers, celebrated as the undisputed monarch of the gold world in Sri Lanka and one of the most sought-after brands among Colombo Jewellers, has always worked towards developing and implementing CSR initiatives to make a greater impact on the communities, and they will continue to do so in the future. A few of the many CSR projects that Raja Jewellers has rolled out over the years are; the brand new house which was donated to a family in Vavuniya, and a free distribution of school accessories to over 130 students at AN/Galwaduwegama Vidyalaya in the Anuradhapura district.
